Steps to Becoming an IPHM Accredited Therapist

1. Complete the Application Form and Submit Payment

- If your application is unsuccessful, you will receive a full refund.

2. Submit Required Documentation

Upon submitting your application, you'll receive an automatic response requesting the following:

- **Relevant Qualifications:** A copy of your qualifications, if applicable.
- **Public Liability Insurance:** A copy of your insurance, if applicable. If you are not currently insured, this will not hinder your application. Once accepted, you may claim a discount through our affiliate providers.
- **Photo for ID Badge:** A photograph for your IPHM member ID badge.

1. Application Processing

Once we receive your documentation, we will begin processing your application. This typically takes 7-10 working days. If you've opted for priority processing, and all information is provided, it will take up to 3 working days.

Membership Options

- **Standard Therapist Membership – Listing Only**
 - List up to six therapies for accreditation and include your social media or website links.
- **Executive Therapist Membership – Full Profile Page**
 - List up to 30 therapies for accreditation. Complete a Jot Form to customize your profile page, allowing for a unique and personalized representation of your business. This page can serve as an alternative website with its own URL.

Prerequisites

- **Qualifications**
- You must hold the appropriate qualifications for the therapies you offer. This ensures you have the necessary skills and knowledge to provide safe and high-quality treatments to your clients. Your qualifications should align with the therapies you offer, fostering trust and safety.
- **Continuous Education**
- Regularly update your qualifications to stay informed of the latest techniques and best practices in your field.
